An obstruction by cars at Carloggas had been reported by a member of the community. Action resulted in cars with no insurance or vehicle road tax/SORN being removed. She stated, that as cars are parked on the grass verge with increasing regularity, the situation can be difficult to police, as it is owned by CC Highways. PCSO Parry is of the view, that cars are avoiding parking at the airport and taking advantage of free parking within the village of St Mawgan.

Sgt Sue Honeywell (replaced Sgt Steve Johnston), hopes to introduce herself at the October PC meeting.

547/2017     CC John Fitter – Report: The signage for Carloggas is at the Cormac store. Cllr Fitter hopes the installation may be expedited.

Police called to cars parked on the road for two months, at the junction at Mawgan Porth – St Eval. Hoped that traffic enforcement could be enabled by re-painting of white lines.

An invitation has been extended for members of the Parish Council to visit the Cornwall Energy Recovery Centre (CERC) Incinerator at St Dennis.

Cornwall Airport Newquay has become part of the Corserve group of companies which is formed out of the stand-alone companies that are owned by Cornwall Council and deliver or manage services on behalf of the Cornwall Council.
