

Report St Mawgan PC report 14/02/24

Good evening,

Since we last met the new waste collection service has started with weekly food waste collection and fortnightly wheelie bin or seagull proof sacks (which must contain your black bin liners with waste) and alternate recycling. The overwhelming majority of residents have embraced the new system with a few exceptions. Yes, there are always going to be teething problems with any new system, but we must all get used to it. There's no going back.

I attended the Community Area Partnership meeting held in Perranporth, updates were given on the Newquay and St. Columb Highways Scheme Sub-Group. At a Sub-Group Meeting it was proposed the recommendation to progress with Pentire Road, Trevelgue Road, Billings Drive, and St.Mawgan go ahead and this was agreed.

Other full funding of highways improvements in our CAP area were also agreed, Halwyn Hill and 20 mph for Crantock village, estimated to be £46,000. Funding unallocated is prioritised to Peterville to fund the TRO consultation. The Budnick Hill crossing at Perranporth had also been agreed this is due to be implemented in May 2024. All funding has now been spent/allocated for the highways scheme with no further funding in the pipeline at this present time.

Other matters discussed: an update on the CAP Funding Panel (Community Levelling Up Programme and Community Capacity Fund)

The application process for the CCF is still open. Every CAP member gets a say on the CLUP Expressions of Interests (EOI), the full application gets voted on by the CAP Funding Panel. It was raised that a no-response being considered positive is not a representative way for funding to be allocated. It was raised that the Saints Coast Funding Panel has not yet met. This is to be taken up with the CLUP/CFF Team. Consideration as to whether the CAP wishes to appoint any Working Groups at this stage and if so to consider the membership of these Working Groups was discussed and agreed. The following will be members Amilea Kitchen – GLL Group, Cllr Sarah Thomson – Newquay Town Council, Ellen Rudge – Cornwall VCF Cllr Louis Gardner CC , Cllr Liz McKenzie - Vice Chair CAP ,Cllr Ken Yeo - Chair CAP. A Youth working group was also agreed.

Cllr McKenzie can give you more details later in your meeting as this is an agenda item.

I attended the Full Council meeting held at County Hall on the 16th of January. Unfortunately, I had to leave slightly early due to a medical appointment. But I was there for all the voting.

I met virtually with Gavin Smith and Megan Arnold to discuss various planning issues throughout the Division.

I attended a meeting of the Central Planning Committee via Teams. Magic Cove and Chyvounder were determined. The committee agreed with me and approved Chyvounder but they disagreed with me and the Parish Council and approved Magic Cove.

I spoke with Mrs Fenner reference the application for a new dwelling on land Southeast of Higher Winsor Farm Ox Lane, I advised that they withdraw the application and seek advice from officers on what may be acceptable on this land. The application has now been withdrawn.

I attended the first "Hurling" of 2024 in St Columb Major, a win for Town and Mr Craig Allen who achieved his first win. The next Hurl takes place on Saturday the 24th of February.
