

Highway maintenance scheme • October 2024

Carloggas Carriageway Repair Works

As part of our planned highways maintenance work, traffic marshals will be in place at Carloggas Farm from **Tuesday 15th to Friday 18th October** while carriageway repair work is carried out.

The work will take place between the hours of **7:30am and 5pm** and there will be significant access delays during this time. Outside of these hours the road will be open as normal. We need to implement these measures to give our teams a safe working zone and protect road users while the work is carried out.

We will have marshals on site to support residents and businesses needing local access.

To prevent delays, and to enable us to maintain emergency access please do not park on, or obstruct the highway during working hours.

Thank you for your patience while these works take place.

Access arrangements

Access for residents and businesses will be maintained through gateways managed by traffic marshals. Residents will need to stop at the gateways and our staff will help you to get into, or out of the roadworks site safely using the right route.

Please be supportive by respecting and responding to any speed restrictions and the safety instructions given by staff.

If our teams need access or have to move machinery out of the way there may be significant delays.

We will always do our best to accommodate day-to-day requirements of people affected by our works, and access will be maintained as much as possible for those people directly impacted by the closure.

Emergency access will be maintained at all times.

Working safely

Please be aware of the following hazards while the work is taking place.

- Uneven road surface where the old surface has been removed
- Raised manholes, gullies, and other service boxes
- Varying kerb heights when stepping off the footway

All of our sites will be appropriately risk assessed and have strict safeguarding measures in line with current Health and Safety and Public Health England guidance to ensure the safety of residents and our staff.

Notifications

Please note this information is correct at the time of circulation but is subject to change at short notice, especially in periods of poor weather.

Resurfacing work is weather dependant and may be delayed by cold temperatures and heavy rain.

If works are postponed or cancelled, we will do our best to update the advance notice boards on our sites.
